

## **Trainee Assayer Scholarships - 2017**

---

The British Columbia Certified Assayers Foundation intends to award several scholarships to trainee assayers presently working in a mineral analytical-assay laboratory. This year there will be three \$1000 scholarships sponsored by the Canadian Mineral Analysts. One of these Scholarships will be awarded in memory of Mr. William (Bill) Clifford, a Certified Assayer and CMA member for over 40 years. A fourth \$500 scholarship will be sponsored by British Columbia Certified Assayers Foundation. Candidates should be prepared to sit the B.C. Certified Assayer examinations in the near future. Qualified applicants are invited to apply for a scholarship by July 30<sup>th</sup>, 2017 following the instructions posted on the British Columbia Certified Assayers Foundation Web Site ([www.bcassayer.com](http://www.bcassayer.com)). Only successful candidates will be contacted in September when arrangements for the award presentation will be made.
