

# *Assayers Foundation of British Columbia*

Company X

Dear Y,

On behalf of the Certified Assayers Foundation of British Columbia, I write to ask for your support for the Certified Assayers program. The program provides training, examination and Government of BC certification for Assayers to ensure that Assayers practicing in BC meet the competency requirements of the mining and securities industries. Each year, the Foundation awards scholarships to graduates of the BCIT Assayers Certification Training Program and to an Assayer trainee working in a commercial laboratory to promote and encourage people to join the Assaying profession. Furthermore, the Foundation provides critical funding for the BC Assayer Certification Program's board of examiners. Over the years, Assayers certified under this program have been working in the mining industries throughout the province of British Columbia, as well as in other jurisdictions, providing high quality assaying services. The program was originally established in 1895 by the Government of BC. In 1997, the administration and funding of the program shifted from the government of BC to a partnership of Industry, Academia and Government. This program helps to ensure a thriving mineral assaying industry in Canada, and your sponsorship helps to maintain the strength of this industry.

As a gesture of our appreciation, logos of our corporate sponsors appear on the BC Assayer website ([www.bcassayers.com](http://www.bcassayers.com)). Sponsorship is available at different levels.

Diamond	>\$10,000
Platinum	\$10,000
Gold	\$5,000
Silver	\$2,000
Bronze	\$1,000

Visitors to this website can click on the sponsor's logo and be linked directly to the sponsor's website. This is a very good opportunity for promoting your company and networking with the Certified Assayers who most often are the decision makers in chemical supplies and instrument purchases for their laboratories.

If you are interested in being a sponsor for the Certified Assayers Foundation of British Columbia, please contact the Foundation's treasurer, John Gravel, at [john.gravel@bcassayer.com](mailto:john.gravel@bcassayer.com). In your email, please kindly state the level of support your company would like to contribute, your contact name and address, so that John can send you an invoice.

Once again, on behalf of the Certified Assayers Foundation of British Columbia thank you for your support.

Respectfully,

Alice Pang  
Chair, Certified Assayers Foundation of BC
